

TiECon Detroit 2017 Announces Mobility Competition Finalists

FARMINGTON HILLS, MICHIGAN , U.S., November 8, 2017 /EINPresswire.com/ -- [TiECon Detroit 2017](#) - Ignite2Disrupt - The World of Digital Connectivity, Michigan's largest conference on entrepreneurship, presented by [TiE Detroit](#), announced the finalist for the TiECon Detroit Mobility Competition 2017.

The Mobility Competition is aimed at recognizing the top six second stage startups working on disruptive technologies in broad based industries such as Mobility, Autonomous Transportation, Electric Vehicles, Connectivity, IoT, Automotive, Cyber Security, Smart Cities, and Big Data/Machine Learning. The six finalists will compete before an audience of automotive executives, venture capitalists, angel investors and Silicon Valley technologists.

TiECon Detroit 2017 Finalists include:

1. wheeli
2. TwoScoreTwo
3. Ommatee
4. fathom
5. GRAISIN ROBOTICS
6. CARMA

The winner will be eligible to join the Kyyba Xcelerator with a \$50,000 investment, support services, and mentorship from Kyyba Xcelerator's extensive global network. With Detroit being the Auto Capital of the world, TiECon Detroit brings top players in the automotive industry, such as OEMs, tier 1 suppliers, investors & other autotech founders. This is a great opportunity to be showcased around the globe and to many investors. The competition is scheduled for November 9, 2017, 2pm-3:00pm at TiECon Detroit, and the winner being announced at 5pm.

"We are so excited and thrilled to announce and showcase the finalists, and I'm confident that at least one of these company's will truly be a trendsetter in the years to come. My hearty congratulations to
