TiE Detroit Announces Jay Vijayan as Grand Keynote Speaker for TiECon Midwest 2016

Jay Vijayan, Founder and CEO of Stealth Startup Company and Former CIO, TESLA will be Grand Keynote Speaker at Ignite2Disrupt.

FARMINGTON HILLS , MICHIGAN, U.S., September 21, 2016 /[EINPresswire.com](#)/ -- The Detroit chapter of TiE, largest non-profit entrepreneurial organization, announced Jay Vijayan as the grand keynote speaker for [TiECon Midwest 2016](#), Michigan's largest conference to be held October 27 and 28, 2016 at The Henry, Dearborn. The announcement was made by [TiE Detroit](#) President, Tel Ganesan.

"We're thrilled to have Jay address TiECon Midwest 2016 gathering. Jay Vijayan the former CIO of Tesla was responsible to keep electric car maker Tesla at the cutting edge of IT. Jay is a phenomenal leader with a very positive attitude and was among a group of Silicon Valley angel investors who provided \$500,00 in seed funding for FixNix. Jay will be an ideal keynote candidate to talk on autonomous cars and connectivity.", said Tel Ganesan, President TiE Detroit.

Jay (Jayaprakash) Vijayan is an entrepreneur, engineer, inventor and investor. He is the Founder and CEO of a startup that is currently operating in stealth mode. He is the former Chief Information Officer (CIO) for Tesla Motors reporting to Elon Musk, Chairman, Product Architect and CEO of Tesla Motors all through his tenure at Tesla. Vijayan lead the development, implementation and Transformation of Tesla's Digital strategy, Information Systems and Infrastructure platform during the period of critical growth and ramp-up phase of the company.

Prior to which, Vijayan was heading the IT Business Applications organization for VMware and held a variety of Engineering and Applications Management positions at Oracle. Sought for his leadership in building simple scalable software for businesses, Vijayan also advises several technology startups around the globe. Jay is experienced in successfully running large collaborative customer focused technology organizations for global fortune 500 companies and fast paced dynamically growing companies, transforming, digitizing and enabling the core business and bringing operational efficiency. Vijayan received the Tamil American Pioneer – Lifetime Achievement Award for Excellence in Engineering/Science by the Federation of Tamil Sangams of North American in July, 2014. He was part of the

Executive Advisory Council for AT&T, TIE Charter Member and the CIO Advisory Council for Microsoft.

In accepting the invitation to be the grand keynote speaker, Jay Vijayan said, "I am looking forward to share my views on Autonomous Cars, its future and the convergence of hi-tech industry with automotive industry through technology advancements in Big Data, Machine Learning and IoT."

TIECon Midwest 2016 will bring together TIE members, entrepreneurs, venture capitalists, top industry executives and thought leaders in two action-packed days.
